

Prof. Fuchs visited three SICSA universities during his one week stay in Scotland:

- 25-26 June 2011: attended the workshop on 'Quantum States: ontic or epistemic?' at the University of Aberdeen (hosted by Dr. Guido Bacciagaluppi).

- 27 June 2011: gave a keynote talk at the Quantum Interaction (QI) 2011 conference at the Robert Gordon University (hosted by Prof. Dawei Song).

-28-29 June 2011: attended the rest of the QI'2011 conference at the Robert Gordon University. He had extensive interactions with the attendees, and also served as a panellist in the panel session.

- 30 June: visited University of Glasgow (hosted by Dr. Sachi Arafat).
